

HORSE & TACK SALE **Saturday 4th November 2017**

The last Horse & Tack sale of 2017 at Clitheroe Auction Mart meant a bumper crowd for the bi-monthly sale. Over 620 lots of tack and a variety of 35 horses of different breeds forward. An increased entry of Tack didn't dampen prices with many lots very good to sell. There was such a variety of items in the section, there really was something for everyone. A large entry of rugs for all occasions met a super trade with many items selling for over £30 per lot. Lots of Saddles, with the highlight a Wintex GP making £100. Not quite as many in the horse section, topping the trade was a Black Mare which sold for 600 guineas. We had a large entry of Shetlands forward this month which sold extremely well.

Next sale is Saturday 6th January 2018
