

PLANT, MACHINERY & SMALL TOOLS. RURAL & DOMESTIC BYGONES SATURDAY 26th JANUARY 2019

A fantastic sale for the first of 2019. The weather on the Saturday was cold and wet, however bidding was red hot with a fantastic turnout of buyers made for a super day. With just over 1380 lots of small tools and over 650 lots of larger equipment. The Plant section is becoming increasingly more popular with a CAT Digger machine selling to £7,600, New Holland LS180 Skidsteer making £5,000. Other highlights included a Terex 6 tonne dumper PT6000 making £4,400. A lot more items could have been sold in this section.

The tools section always does amaze me with such a wide variety on offer, something for everyone. Top lots on the day saw a Hilton waste oil heater selling for £620. Wacker Plate selling for £590. With many more lots selling for good prices. As you can see from the list below we had a tremendous clearance rate with lots making really good prices. Have a look round your sheds and yards lets turn unwanted items into money.

Larger machinery was in demand on the day especially Tractors, Farm Machinery and Sheep Equipment. A Belarus 952 4WD stole the limelight making £6,500, other items included a Case International 4wd c/w Loader realising £5,300. Quad bikes with lambing time nearly upon us were in demand with all bikes forward finding new homes, the top price in this section was a Honda 420 reaching £4,400. More items required for the next sale on Saturday 23rd February. For more information please contact Jeremy on 07815 727993 or Joe on 07970 221354.
