## **PURE BRED POULTRY & WATERFOWL SALE** **SATURDAY 9<sup>th</sup> FEBRUARY 2019**

All I can say is Wow!! What a day!! I would firstly like to thank all vendors for their patience as it was an exceptionally long day. Never did we envisage to have over 200 lots of eggs and nearly 300 lots of deadstock in addition to the catalogue. Clitheroe Auction Mart was packed to the rafters. It goes without saying that it's the best place in the North of England to buy and sell Poultry, as these sales have grown tremendously over the past 2 years.

Trade was red hot from start to finish. Some very high quality stock on offer with buyers present from all over the UK. We had over 700 cages of birds forward with prices staying good right until the very end. A splendid Trio of Witch Doctor American Game were the top lot of the day, selling for £190. Game Bantams were very good to sell on the day with prices from £100 to £140 for Trios.

Other highlights would have to be the soft feather large fowl section. The main breeds of Light Sussex, RIR, Copper Black/Blue Marans, and Cuckoo Marans sold pen after pen for £30 to £40 per head with some excellent examples of the breeds forward.

Over 200 lots were forward in the deadstock section; which included carrying crates, incubators, poultry drinkers and many varieties of accessories. The top price of the day in this section was an Incubator selling at £90.00. Hatching Eggs sold reasonably well, catching the eye has to be the 2 Emu Eggs selling for £25.00. Followed by Copper Blue Legbars, and Maran eggs selling above the £20.00 mark.

Poultry Auctioneer Jeremy Greenhalgh said "What a great sale, an excellent day all round with a fantastic entry of high quality stock which grabbed the attention of many buyers. This created a brilliant atmosphere and a packed auction."
