VINTAGE TRACTOR SALE SATURDAY 15th SEPTEMBER 2018

A great day with over 40 tractors from all marques. In conditions from tatty to rare concurs, these were all eagerly bid for by a large crowd at Clitheroe Auction Mart's latest Vintage and Classic Tractor Auction. Auctioneer Joe Worthington sold the vehicles and the top price of the sale, at this increasingly popular bi-annual event, was a Field Marshall Series 1 selling for £11,700. Other highlights would be a Massey Ferguson 135 with a train body selling £5,300. With an overall clearance rate of over 95% the sale was a great success.

Prior to the tractors, more than 400 lots of tractor parts, accessories and barn engines were auctioned, with the indoor hall packed with buyers keen to get their hands on that all-important part to add to their collection or to finish an ongoing restoration. In the sale also on offer were over 200 lots of implements and trailers, featuring harvesting equipment, manure spreaders and ploughs. There was lots of interest in a David Brown 996 Bonnet making £400. Other Highlights included a David Brown Cutter Bar Mower realising £580.

Auctioneer Jeremy Greenhalgh said "Today was an excellent sale, with a brilliant clearance rate on the tractors and parts. There was particular interest in the vintage parts which sold well"
