

CLITHEROE AUCTION MART

HORSE & TACK SALE Saturday 2nd March 2019

A large entry of Tack for the first Sale of 2019. A much bigger crowd and the Tack was excellent to sell, especially with the new format of producing a sales day catalogue with separate sections for the Tack and Saddles. The tack section had such a variety of items, there really was something for everyone. Highlights saw a leather stallion roller making £55, also a Shetland driving Harness making £45. Items catching the eye in the Saddle section included a Brown GP Saddle selling for £200. Highlights are listed in the table below. Not as many Horses but still a very good clearance rate. A nice Piebald Mare selling for 520 Gns.

Next sale is Saturday 6th July 2019. Entries close for Tack Friday 28th June 2019
