## PURE BRED POULTRY & WATERFOWL SALE SATURDAY 9<sup>th</sup> MARCH 2019

For an extra sale it was a massive success. Trade would be better than the February Sale. Some very high quality stock on offer with buyers present again from all over the UK. We had over 600 cages of birds forward with prices staying good right until the very end. A pen of 3 Welsummer pullets were the top lot of the day, selling for £220. All large Soft feather sold the best, a Trio of light Brahmas were very good to sell on the day with prices to £190. The main breeds of Light Sussex, RIR, Copper Black/Blue Marans, sold pen after pen for £40 to £70 per head with some excellent examples of the breeds forward.

Other highlights would have to be the waterfowl section, a splendid Trio of White Indian Runner Ducks making £100. In the ornamental section saw a pair of Mandarin Ducks making £80.

Over 350 lots were forward in the deadstock section; which included carrying crates, incubators, poultry drinkers and many varieties of accessories. The top price of the day in this section was an Incubator selling at £60.00. Hatching Eggs sold reasonably well, catching the eye has to be the 10 Silver Duckwing Welsummers selling for £25. Followed by Welsummers, and French Copper Maran eggs selling above the £22 mark.

Poultry Auctioneer Jeremy Greenhalgh said "Thank you for all your continued support. A great sale, with a super entry of good quality stock. Don't Forget the next sale on Saturday 6<sup>th</sup> April."
