PURE BRED POULTRY & WATERFOWL SALE SATURDAY 6TH APRIL 2019

Clitheroe Auction Mart was the place to be for our April Pure Bred Poultry Sale. Another bumper entry with some splendid prices to note. We had over 500 cages of birds forward with prices excellent right until the very end. A Trio of Silver Duck Wing Welsummer were the top lot of the day, selling for £200. All large Soft feather sold the best, 3 New Hampshire Red Pullets were very good to sell on the day with prices to £180. The main breeds of Light Sussex, RIR, Copper Black/Blue Marans, sold pen after pen for £50 to £75 per head with some excellent examples of the breeds forward.

Other highlights would have to be the Ornamental waterfowl section a pair of Mandarin Ducks making £90, with Fulvous Tree Ducks making the same price.

The deadstock section saw record numbers forward with over 450 lots of eggs and 150 lots of accessories which included carrying crates, incubators, poultry drinkers and many varieties of poultry equipment. The top price of the day in this section was a Brinsea Octagon Incubator selling at £90. Hatching Eggs sold reasonably well, catching the eye has to be the 12 Embden Goose Eggs selling for £45. Followed by 10 Rhode Island White eggs selling to the £40 mark.

Poultry Auctioneer Jeremy Greenhalgh said "This Sale keeps getting better and better. A great sale, with a super entry of good quality stock. Hatching eggs sold especially well right to the end even with such big numbers forward. Don't Forget the next sale on Saturday 1st June."
