

PURE BRED POULTRY & WATERFOWL SALE SATURDAY 1ST JUNE 2019

What we thought would be a quieter sale was most definitely not. We had over 400 cages of birds forward with prices excellent right until the very end. Trade for all of the livestock was excellent throughout, with large soft feather dominating the top prices of the day. Three New Hampshire Red Pullers sold to a high of £200. Silver Duck Wing Welsummer seem to be the most favourable at this moment in time selling for a superb price, one cage at £170 and one cage at £160. A Pair of Buff Orpington sold for £150 and £120.

The deadstock section saw good number forward with over 350 lots of eggs and 150 lots of accessories which included carrying crates, incubators, poultry drinkers and many varieties of poultry equipment. The top price of the day in this section was a Dove Cote selling at £120. Hatching Eggs sold reasonably well, catching the eye has to be 6 Bearded Gold Eggs selling for £50. Followed by 12 Black Orpington eggs selling to the £30 mark.

Poultry Auctioneer Jeremy Greenhalgh said "A great sale, with a super entry of good quality stock. Hatching eggs sold well right to the end even with such big numbers forward. Large Soft Feather sold the best on the day."
