

## PLANT, MACHINERY & SMALL TOOLS. SATURDAY 27<sup>th</sup> JULY 2019

A nice entry in the shed, with just over 950 lots of small tools and over 500 lots of larger equipment. The variety on offer in the building was brilliant with something for every pocket. Highlights saw a Muck Truck making £780, also a pair of aluminium ramps made £270. Many more lots selling for good prices. As you can see from the list below we had a tremendous clearance rate with lots making really good prices.

In the plant section lots of notable prices but catching the eye was a Hanix 4 Ton Digger selling for £4,200. A Kubota KC120 Tracked Dumper sold to £2,150. From a local farm a Bucher TM85 Machine sold well for £1,900. Over 40 trailers forward this time, with buyers for all types, a lot more could have been sold. Top on the day was an Ifor Williams Twin Axle Cattle trailer making £2,220. Included in the entries was a lot of building equipment which attracted a lot of interest with Palisade Fencing selling for £290.
