

PLANT, MACHINERY & SMALL TOOLS

SATURDAY 24th AUGUST 2019

A busy Sale day for a Bank Holiday Weekend, especially with lots of local events on the same day. The weather was beautiful all day for both Fridays intake and sale day! A nice entry in the shed, with just over 1200 lots of small tools and over of 350 lots of larger equipment. The variety on offer in the building was brilliant, with top lots on the day seeing a set of Ford Ranger Wild Track Alloys making £490. Other highlights included a 20 tonne press selling to £350. Many more lots selling for good prices. As you can see from the list below we had a tremendous clearance rate with lots making really good prices.

In the plant section lots of notable prices but catching the eye was Ingersol Rand Compressor selling for £1,450. From a local farm a JCB Workmax Groundhog also selling well for £2,250. Included in the entries was a lot of building equipment which attracted a lot of interest. Over 40 trailers forward this time, with buyers for all types, a lot more could have been sold. Top on the day was an Ifor Williams Tipping Trailer making £3,700. The main machinery section was very good to sell with an ECE Rear Discharge Muck Spreader making £4,800, a nice Abbey Feeder Wagon made £1,700.
