Not just as much weight about today, with a lot of lambs 32-39kg. Commercial Lambs weighing between 39-44kg seemed better to place. Anything with shape and meat very good to sell with buyers competing well. Good Heavy Lambs sold pen after pen £80-£89 per head. Averages very much in line with Tuesday markets. For more information contact Jeremy or Joe on the numbers above, more Prime Lambs required for next week.
