

**CARRIAGE & HARNESS SALE**  
**Saturday 31<sup>st</sup> August 2019**

The autumn auction was held earlier than usual due to our constricted calendar over the next couple of months. A reduced entry of both vehicles and harness saw a mixed trade.

The bestselling vehicle was a three quarter size dray which sold for £700. Most of the remaining vehicles were mainly exercise vehicles which sold in the £200 to £300 bracket. A set of 4 wooden wheels were sold for £300. Best price for sets of Harness realised £440 for a cob size working set of collar harness with a couple of other similar sets making £320 each. English collars sold up to £140 and a heavy horse pad with all the fittings made £130.00.
