## VINTAGE TRACTOR SALE SATURDAY 7<sup>th</sup> SEPTEMBER 2019

A great day all round with over 40 tractors from all marques. In conditions from tatty to rare concurs, these were all eagerly bid for by a large crowd at Clitheroe Auction Mart's latest Vintage and Classic Tractor Auction. Auctioneer Jeremy Greenhalgh sold the vehicles and the top price of the sale, at this increasingly popular bi-annual event, was a Case International 685 4WD C/W Loader selling for £6,300. Other highlights would be a Massey Ferguson 135 in smart condition £5,150. With an overall clearance rate of over 90% the sale was a great success.

Prior to the tractors, more than 450 lots of tractor parts, accessories and barn engines were auctioned, with the indoor hall packed with buyers keen to get their hands on that all-important part to add to their collection or to finish an ongoing restoration. In the sale also on offer were over 150 lots of implements and trailers, featuring harvesting equipment, manure spreaders and ploughs. There was lots of interest in an old original muck cart making £440. Other Highlights included 8 Fordson Major Weights selling to £320.

Auctioneer Jeremy Greenhalgh said "Today was an excellent sale, with a brilliant clearance rate on the tractors and parts. There was particular interest in the vintage accessories which sold well"
