989 PRIME LAMBS

Well what a challenge!!! Lambs would most definitely be harder to place. Anything with shape and meat good to sell with buyers competing well. Lambs sold pen after pen £80-£84.50 per head for the smarter sorts. Commercial sorts again harder to place. Averages very much in line with Tuesday markets. Anything slightly under fleshed would most definitely be better sold at our weekly Store Lamb Sales. For more information contact Jeremy or Joe on the numbers above, more Prime Lambs required for next week.
