

## PURE BRED POULTRY & WATERFOWL SALE SATURDAY 16<sup>th</sup> NOVEMBER 2019

A great sale given we are in the middle of November!!! Trade was much better than anticipated with a fantastic turnout to support the sale but also the Ribble Valley Poultry Show. It was a Trio of Pile Game and a Trio of Gold Partridge Welsummers that topped the prices making £200. A splendid Trio of Blue Pekins caught the eye, these sold for £150. All large fowl pullets, whether it be Welsummer, Rhode Island Reds, Light Sussex, Buff Sussex or Marans, will have averaged £20 - £40 per head. As you can see from the listing below prices are extremely good for the time of year.

Close to 200 lots in the deadstock section but nothing of any great value; lots included carrying crates, poultry drinkers and accessories. Top price of the day in the deadstock section was box of drinkers making £40.

Poultry Auctioneer Jeremy Greenhalgh said "Well what a sale!! It was a great success with record cages forward, many vendors being rewarded with premium prices, especially soft feather large fowl and Game."
