

PLANT, MACHINERY & SMALL TOOLS SATURDAY 14th DECEMBER 2019

The next sale is on Saturday 25th JANUARY 2020. To include Rural & Domestic Bygones Sale. Please get entries in early for advertising.

Given it has done nothing but rain for the past week, on the day of the sale the prices remained good throughout the day. This was the first time we have had a Machinery Sale in December and had 900 lots of small tools and 450 lots of larger machinery in the yard. Happy with the results of the day they will now continue. In the smaller tools section the highlight of the sale saw a set of 22inch stormer alloy wheels achieve £420. From wheels to vintage signs all sold well with a Pratts sign achieving £290. Another eye catcher was a diesel power washer that sold for £280. Many more lots selling for good prices. As you can see from the list below we had a tremendous clearance rate with a buoyant trade in all sections.

The Machinery section was busy with something for everyone. The highlight of the day was a JCB520.50 from a local farm which sold particularly well at £9000. A rear discharge Teagle Muck Spreader was also sold to £4100. A well looked after Master Renault Panel Van with low mileage sold well, making £3300. In the Plant section it seemed to be a digger bucket day, these selling well all day. Over 20 trailers forward this time, with buyers for all types, and a lot more could have been sold. The top lot on the day was an Equitrek trailer making £2,400.

More items required for the next Sale on **Saturday 25th January**, especially larger items, for more information please contact Jeremy on 07815 727993 or Joe on 07970 221354. Remember, larger items can now be dropped off prior to the next sale. Please contact Jeremy to arrange a convenient time for you. You can also email entries and pictures to sarah@auctionmart.co.uk
