

CLITHEROE AUCTION MART

HORSE & TACK SALE
Friday 3rd January 2020

The Auction was busy all day with some nice prices for the Tack on offer. With a wide variety of items, there really was something for everyone. Highlights saw Black Leather Driving Harness making £70, also Poly Wings selling for £60 per pair. Lots of rugs forward given the time of year. Items catching the eye in the Saddle section included a Crown Jump 17" Saddle selling for £300. More quality saddles required with many buyers going home empty handed. Horses still a very good clearance rate with only a very small entry forward. A nice Welsh Part bred Mare sold for 540 Gns. A Welsh Section C Bay sold for 290Gns. Highlights are listed in the table below.

Remember EVERYTHING has to be pre-entered.
