PLANT, MACHINERY, SMALL TOOLS
SATURDAY 25th JANUARY 2020

The next sale is on Saturday 29TH FEBRUARY 2020. Please get entries in early for advertising.

A fantastic sale for the first of 2020. The weather on the Saturday was cold but stayed dry for a change, however bidding was red hot with a fantastic turnout of buyers made for a super day. With just over 1150 lots of small tools and over 500 lots of larger equipment. The tools section always does amaze me with such a wide variety on offer, something for everyone. Top lots on the day saw a Tool cabinet selling for £230. A tidy Evopower generator caught the eye selling for £160, while a Back burning Log Burner made the same price. With many more lots selling for good prices. As you can see from the list below we had a tremendous clearance rate with lots making really good prices. Have a look round your sheds and yards lets turn unwanted items into money.

Larger machinery was in demand on the day especially Tractors, Farm Machinery and Sheep Equipment. A Manitou Loadall stole the limelight making £9,400, other items included a John Deere 4115 C/W Loader, Direct Council realised £4,950. A rear discharge KTWO 600 Muck Spreader was also sold to £5,150. The Plant Section saw a standby generator making £2,800. Over 30 trailers forward this time, with buyers for all types, and a lot more could have been sold. The top lot on the day was an Lfor Williams Tri Axle 14ft C/W Ramps making £1,850.
