## PURE BRED POULTRY & WATERFOWL SALE SATURDAY 8<sup>th</sup> FEBRUARY 2020

What a day!! I would firstly like to thank all vendors for their patience as it was an exceptionally long day. Clitheroe Auction Mart was packed to the rafters. These sales have grown tremendously over the past 2 years. It goes without saying that it's the best place in the North of England to buy and sell Poultry.

Trade was super from start to finish. Some very high quality stock on offer with buyers present from all over the UK. We had over 650 cages of birds forward with prices staying good right until the very end. A splendid Trio of Welsummer were the top lot of the day, selling for £180. Other highlights would have to be the soft feather large fowl section. The main breeds of Light Sussex, Copper Black/Blue Marans, and Cuckoo Marans sold pen after pen for £30 to £40 per head with some excellent examples of the breeds forward. Indian Game seem to have become very popular with most pens selling for over £100.

Over 200 lots were forward in the deadstock section; which included carrying crates, incubators, poultry drinkers and many varieties of accessories. The top price of the day in this section was a Brinsea Ova Easy 380 Incubator selling at £410. Hatching Eggs sold really well, catching the eye has to be the 6 French Copper Black Maran Eggs selling for £25. Followed by 12 Silver Duckwing Welsummer selling for the same £25. Poultry Auctioneer Jeremy Greenhalgh said "What a great sale, an excellent day all round with a fantastic entry of high quality stock which grabbed the attention of many buyers. This created a brilliant atmosphere and a packed auction. Hope to see you all at the March Sale"

**Please note that the next Sale is Saturday 7<sup>th</sup> March 2020**  
**Don't leave entries till the last minute!!!**
