HORSE & TACK SALE
Friday 6th March 2020

Not just as busy but a nice entry of Tack on offer. With a wide variety of items, there really was something for everyone. Highlights saw a quantity of jumping blocks making £55, also 4 jump poles making £50. Two Weymouth bits sold to a high of £45. Lots of rugs forward given the time of year. Items catching the eye in the Saddle section included a 17" Medium Cliff Barnsby Jumping Saddle selling for £180. More quality saddles required with many buyers going home empty handed. Quieter for Horses but still a very good clearance rate. A nice Suffolk Punch cross sold for £1365. Remember we are now allowing Horses to be entered on the day, see below for further information. Highlights are listed in the table.

NOTE: ALL TACK has to be pre-entered.
