## PURE BRED POULTRY & WATERFOWL SALE SATURDAY 7<sup>th</sup> MARCH 2020

Some very high quality stock on offer with buyers present again from all over the UK. We had over 600 cages of birds forward with prices staying good right until the very end. A pair of White Wyandotte Bantams was the top lot of the day, selling for £250. Other highlights would have to be the Extra Large Soft Feather section, a splendid Trio of Blue Orpingtons making £130. In the ornamental section a pair of Silver Mandarin Ducks made £75. As you can see from the list below there were some really good prices.

Over 500 lots were forward in the deadstock section; which included carrying crates, incubators, poultry drinkers and many varieties of accessories. The top price of the day in this section was a 120 Egg Incubator selling at £120. Hatching Eggs sold reasonably well, catching the eye has to be the 10 Welsummer Eggs selling for £25. Followed by Indian Runner and Cayuga Duck Eggs selling at £22.

Poultry Auctioneer Jeremy Greenhalgh said "Thank you for all your continued support. Trade was great from Start to Finish. A great Sale, with a super entry of good quality stock. Don't forget the next sale on Saturday 4<sup>th</sup> April."

**Please note that the next Sale is Saturday 4<sup>th</sup> April 2020. Entries close Monday 23<sup>rd</sup> March**
